## Take a step...

- # Find your household income at the left of the chart below.
- # Move across on the same line to find the amount you currently give weekly in the Parish Sunday Envelope.
- # Move straight up the chart to find what percentage of your income

How to move gradually toward Sacrificial Giving — giving which is *planned, proportionate, and sacrificial*:

Please consider *taking a step* by pledging at the next level (to the right). For example, if you are presently giving 2% to the parish, consider pledging 2.5% or even 3% now.

Consider setting your eventual goal at the biblical tithing of 10% (5% to the parish and 5% to other charities). It may take a few years to get there, but this is a worthy and rewarding goal for all on the road of discipleship.

If your household income does not exactly match those listed on this chart, please approximate by using combinations of two or more amounts listed.

\* You are asked to give an equal percentage to other charities (for example: if you're giving 5% to the parish in the regular Sunday envelope, give an additional 5% to other charities for 10% total giving). Other charities might include Food Pantries and other programs for the Poor, Missions, Catholic Education donations, the Diocese, Parish Building or Debt Drives, etc.

## De un paso...

- ‡ Busque su ingreso familiar en la parte izquierda de la tabla.
- ‡ Busque sobre la misma línea, en el lado derecho, la cantidad que actualmente dan semanalmente en el Sobre Dominical de Ofertorio.
- ‡ Vea arriba en la tabla el porcentaje salarial que su ofrenda representa.

Cómo avanzar gradualmente hacia la ofrenda en sacrificio — ofrenda que es *planificada, proporcional, y de sacrificio*:

Por favor, considere *dar un paso* al comprometerse a dar en el nivel siguiente (a la derecha). Por ejemplo, si usted está dando actualmente un 2% de su salario a la parroquia, considere comprometerse a dar ahora un 2.5% o incluso un 3%.

Considere la posibilidad de fijar su meta final en el diezmo bíblico del 10% (5% para la parroquia y 5% para otras organizaciones de caridad). Le puede llevar unos años lograrlo, pero esta es una meta digna y gratificante para todos en el camino de ser discípulos.

Si su ingreso familiar no coincide exactamente con los que aparecen en esta tabla, use combinaciones de dos o más de las cantidades que aparecen para aproximarse a su ingreso.

\* Se les pide dar un porcentaje igual a otras organizaciones de caridad (por ej.: si usted está dando un 5% a la parroquia en sus sobres, den un 5% adicional a otras organizaciones de caridad para llegar al 10% de la donación total). Otras organizaciones de caridad incluyen despensas de alimentos y otros programas para los pobres, misiones, donaciones para la educación católica, para la diócesis, para el edificio parroquial, etc.
