Our Lady of LaSalette Religious Education
Volunteer Needs
2009-2010

Your helping hands are needed to make faith formation a success at Our Lady of LaSalette Catholic Church. Please read below and complete the back of this sheet to volunteer.
Thank you!

Lead Catechists and Assistant Catechists for Grade Based Religious Education: Teams of two catechists work together at each grade level. All materials are provided to each class. Also, there will be training/planning meetings during the year.

Substitute Catechists for Grade Based Religious Education: Substitute catechists fill in for any lead or assistant catechist who is unable to teach his/her class. They are called and prepared ahead of time. We would like to maintain a list of those available to substitute in order that catechists may directly contact a substitute when needed.

On-Site Assistants for Grade Based Religious Education: These volunteers will assist periodically with monitoring grade based classes when the Catechetical Leader-Supervisor has meetings during class time. Volunteers will be given an orientation prior to helping out on Sunday.

RCIA for Children (ages 7-10 and ages 10 and up) Catechists and Assistants: Catechists and assistants in the RCIA track for children prepare and present lessons to small groups of children. The lessons follow the Liturgical calendar of the Church and provide a way for the children to grow in their relationship with God. Training and planning meetings will take place during the year.

Youth Activities: These volunteers will help coordinate different activities to enhance the faith formation for the youth of the parish.

Confirmation Catechists and Team Members: Confirmation Catechists and Team Members work together to prepare parishioners to receive the Sacrament of Confirmation. They will help develop and carry out the different aspects of the Confirmation Programs. Training and planning will take place during the year.

At-Home Religious Education Coordinator: This person will coordinate our new At-Home Religious Education option. The hope is that this person will make contact with those families enrolled in this option and seek to coordinate or communicate about offerings which can bring these families together periodically throughout the year.

Librarian: A library of religious books and resources for catechists, parents and children will be made available. The librarian will check-in and checkout books once a month on Sunday morning. A database has to be compiled which will be used to keep track of our resources. Periodic reminders to those who have books out for an extended period of time may be needed.

Registration Assistance: Assistance is needed in August and September to prepare folders, books, etc. for the first day of classes. Also, help is needed during the first several weeks of class to handle new registrations and orient new families. Please indicate your availability (e.g., September only).

Data Entry: During the summer and Fall, help is needed inputting data from registration forms.

General Office Help: Throughout the year help is needed with both filing and keeping track of paperwork for sacraments.

Music Ministry: During specially scheduled programs for children and families, musical accompaniment makes the celebrations more meaningful. If you sing or play an instrument, your help would be greatly appreciated.

Web Site Programmer: Periodically the religious education section of the web site will need to be updated. Basic knowledge of HTML programming and a willingness to collaborate with our Webmaster are necessary.

Service Projects Coordinator: In an effort to make our faith active, we would like to add a couple of service projects where families could participate together. However, we need a coordinator with a desire to minister and a passion for social justice.

Please complete the bottom of this sheet to indicate how you can help. Please return it with your child/ren's registration form or directly to Fr. Victor J. Reyes in the Parish Office. You also may contact him at vjreyes@lasalettēcanton.com or at 770-479-8923, x225 to indicate your interest or if you have any questions. Thank you.
